Dear David Umstot:

It is my pleasure to inform you that the Miramar College Police Station project you submitted on behalf of San Diego Community College District was selected for a Project of the Year award.

The awards program is being held on Thursday, May 10, 2012 during the Association's monthly meeting which is hosted at the **Hilton San Diego Mission Valley, 901 Camino Del Rio South, San Diego, 92108.**

Your project team is invited to a reception with APWA board members at 10:00 a.m. on the morning of the luncheon, where photographs will be taken with the APWA President. Please refer to the attached schedule for your project team photo.

The awards luncheon program will begin at noon. We request that you designate a representative from your organization to receive the complimentary award plaque, and lunch with our members. You are welcome to invite others to attend the awards luncheon; however they will be responsible for the cost of their meal.

Additional award plaques are available to order and will be distributed at the awards luncheon if ordered in a timely fashion. See the attached forms for lunch reservations and to order additional plaques.

Congratulations on your award and should you have any questions or need additional information, please contact me at (858) 720-2474.

Sincerely,

Dan Goldberg, P.E.
